HISTORY & INSTITUTIONAL PHILOSOPHY

The Northwood Institute of Taxidermy was established in the Fall of 2007. Mr. Joel N. Zimmerman, Director of the Institute, graduated from the American Institute of Taxidermy in Janesville, Wisconsin in 1978. He taught at another school for five years before opening the Northwood School of Taxidermy, Inc. in 1990. Mr. Zimmerman has successfully taught hundreds of students the art of Taxidermy and is excited about continuing as the Director of the Northwood Institute of Taxidermy, Inc. Joel is a Master Taxidermist who has been invited to judge State competitions and teach seminars. He has won numerous awards at State, National and World competitions. His work has been on the cover of Taxidermy Today and featured in articles of various publications as an authority in Taxidermy.

FACILITIES

The Northwood Institute of Taxidermy, Inc. is located at 2231 Stoystown Road (Rt. 281), Friedens, PA. It consists of a large classroom and instructional area, restroom, paint and storage room and an administrative office. OTHER EXPENSES

There are no other hidden costs to you. However, upon graduation you may wish to purchase supplies such as paints, alginate, methanol, formic acid, mounting stands, fleshing machines, tanning machines or specimens from the school. We will provide a 10% discount on fleshing machines, tanning machines and paints for our students. We have various brands of fleshing machines in house to allow you to choose which one is right for you.

ENROLLMENT PROCEDURE

Students wishing to enroll must fill out the Enrollment Application and send it to the school. The student will then be sent an Enrollment Agreement which they must read, sign and return with a tuition deposit of \$1500. The deposit is fully refundable. The \$1500 deposit will be applied to the tuition and reserves the student a place in that particular session. Students will be accepted up until the starting date of a new term unless the class limit (eight students) is filled prior to that date.

GRADUATION REQUIREMENTS

Students will complete for grades the following specimens:

1. 6 game fish, such as bass, trout and pike.
2. 2 medium size upland game birds.
3. 2 medium size waterfowl
4. 1 small to medium size mammal (such as coyote or bobcat).
5. 2 game heads (such as white tail deer).
6. 1 open mouth rug to be sent out for felt.

GRADING

Students shall be tested, in writing and by judgment of the completed specimen, in each phase of the taxidermy course (Fish, Birds & Fur). Grading will be on accumulated average with (100-91=A), (90-81=B), (80-71=C), (70-60=D), (Below 60=F). Students maintaining a "C" average or higher in all areas set forth by the Institute will receive a diploma upon completion of the course.

Tests and judgment sheets will be promptly corrected, recorded and returned to the student following each phase (Fish, Birds & Fur) of the taxidermy course.

If a student is failing to meet the minimum standards set by the Northwood Institute of Taxidermy, Inc. in any phase of the taxidermy course, he will be notified far enough in advance so as to not obligate himself to complete and pay for the entire 13 (thirteen) week term.

ATTENDANCE REGULATIONS

The student will be given a reasonable extension of time to report in case of illness or an Act of God that would necessitate a delay in starting, but cannot begin a new course beyond the third day of class. Students must attend all classes and field trips. No leaves, class cuts or tardiness will be permitted, unless approved by the school. The school will arrange to make up hours lost to approved absences on a mutually agreed upon system but student must attend 480 hours of the 520 hour course. The student agrees to maintain regular attendance and any violations or infringements of the school's rules and regulations may be subject to dismissal of the student. The school is relieved and released of all claims by the student that may arise as a result of the school's inability to perform where under as a result of an Act of God or any other matter or thing, beyond the control of the school.

The school reserves the right to alter the hours of attendance and/or starting dates when deemed necessary. Such changes will not alter the program costs or refund policy. If conditions beyond the control of the school require postponement of a starting date or temporary suspension of classes, appropriate adjustments will be made to provide the student all of the instruction to which they are entitled. Students who have enrolled but have not started attending school will, upon written request, be issued a refund of moneys paid if postponement exceeds one semester. The student shall have the right to terminate training at any time at his/her option, by giving written notice to the school.

VA SECTION

Veteran students must keep their grades at least a “C” level at all times. If their grade falls below that level, they will have 2 weeks in order to bring it up to “C” level. After 2 weeks and their grade is still below a “C” level, the school will notify the Veterans Education of the fact and that their probationary period has not helped bring their grades to “C” level and that the student must be dropped from Taxidermy.

Veterans must also keep their attendance up to 480 hours of the 520 hours. If at any time the student has missed over 40 hours of class time and has not made arrangements to make it up, the Veterans Education office will be notified and the student will be dropped from Taxidermy.

VA INFO CALL 1-800-827-1000

VA students only. The Pro Rata Refund policy applies.

In the event a veteran fails to enter, withdraws or is discontinued from the program at any time prior to completion, the amount charged to the veteran does not exceed the approximate pro rata portion of the total charges for tuition, fees and other charges that the length of the completed portion of the program bears to its total length.

FINANCIAL AID

We currently do not have any financial aid available. We have decided in order to keep our tuition reasonable we will not become accredited at this time as this would only raise our tuition \$5000 to accommodate all the costs incurred to be able to receive government funding. We like passing the savings on to our students. We know you will need money to start your business, that is why our school is the most reasonably priced school around. We are always exploring financial aid opportunities, should it become available we will publish and make known such information promptly.

CONDUCT

Students must abide by the rules and regulations of the school. No stealing, rowdiness or disruptive behavior will be tolerated. Any student attending class in an intoxicated state or in possession of any illegal substance may be subject to dismissal. Also, any student who willfully and maliciously damages or destroys properties of the school, or of other students, may also be dismissed. Smoking will not be permitted in the classroom or apartments due to fire codes.

STUDENT PLACEMENT

No placement service is offered. Training is geared to provide the student with the knowledge to embark on a self-sustaining career in his/her own business venture. However, some students may wish to become employed by established taxidermists and the Northwood Institute of Taxidermy, Inc. will endeavor to aid those students seeking such employment.

SCHEDULE OF FEES

The balance due on tuition must be paid in full no later than the beginning of the second week of class, except in cases where students are receiving funding from state or federal agencies or in house financing. Bills for specimens and supplies are due upon receipt. All bills must be paid prior to graduation.

CREDIT FOR PREVIOUS TRAINING

Taxidermy courses taken by the student prior to entering the school will be evaluated on an individual basis, including their finished taxidermy specimens.

REFUND POLICY

1. If a student enrolls and cancels the enrollment agreement before beginning the training, money paid to the school shall be refunded.
2. If a student cancels the agreement after beginning training but within the first week of the term, the school shall refund 70% of the tuition.
3. Upon cancellation after the first week but within the first 20% of the term, the school shall refund 55% of the tuition.
4. Upon cancellation after 20% but within 40% of the term, the school shall refund 30% of the tuition.
5. Beyond 40% of the term the student is entitled to NO REFUND.
6. Notice of Cancellation of the Enrollment Agreement shall be in writing and delivered to the school by certified mail. The school shall make the appropriate refund within thirty days of receiving the written certified cancellation of the Enrollment Agreement.

Special Cases: In case of student prolonged illness or accident, death in the family, or other circumstances that make it impossible or impractical to complete the course, the school shall make a settlement which is reasonable to both parties.

- VA Students see VA section.

HOUSING

Students may make their own living arrangements if they desire. However, the school makes available a fully furnished apartment that may be shared with other students. The cost for this type of living arrangement is \$1000 for the duration of the Full Taxidermy Course.

RECREATION

It is important to us that your stay be as enjoyable and as memorable as possible. There are a lot of fishing spots very close to the school. Trout streams, lakes, and reservoirs are within 5 minutes. Hunting is also abundant. There are many areas open to public hunting; you are welcome to bring you hunting gear. During the winter months, skiing at three nearby resorts: Hidden Valley, Seven Springs, and Blue Knob are all within 30 minutes. There are also snowmobile trails minutes away at Forbes and Babcock State Forest. You are welcome to bring your snowmobile if you like.
